

### **Officer Meeting – 1/21/09**

- ACM website fully functional (<http://acm.cs.kent.edu>)
- Minutes and agendas will now be on the website
- Possible changes to the website not on the agenda: discern between ACM Kent and National, add affiliations, add “Powered by Apache”
- Colin will recruit a new faculty advisor
- Plans for Mitnick are fading
- Steve Smith will come and speak
- Possibility of getting one of the non-tenure faculty members to come speak
- Craig will send out another email about the cell phone drive
- Fundraising ideas: Cedar Point weekend of work, video game tournaments?
- PME event?
- Will probably pick a new date for meetings
- One week break will be included in between officer and general meetings so next meeting will be two weeks from now
