

### General Meeting – 2/4/09

- Distinguished speaker from national ACM coming with tentative date April 15
- Dr. Lu asked us to sponsor some kind of event around this
- Steve Smith coming on April 8 (90% confirmed)
- Mitnick will not be coming due to money problems
- Non-tenured faculty still a possibility
- ACM account has about \$250 in it
- Andrew Sutton started a Game Programming Club called GameCraft for writing video games last semester
- Game Programming Club wants to continue under ACM
- Benefits: mentoring under graduated students and industry, can improve coding style, creative outlet for programmers
- Formation of GameCraft committee could happen soon
- Dr. Rothstein would be more than happy to become new faculty advisor for ACM
- Other possibilities: Bansal, Wang, Maletic
- Possible fundraiser to raffle off an EEEPC from Best Buy
- Chuck Gartland has a dial-up modem card that he wants to give away
- Game Night and Movie Night will still be happening this semester
- Pi Mu Epsilon still wants to have an event: broomball, paintball, laser tag, dodgeball
- Dean should have ideas from Pi Mu Epsilon at next officers' meeting
