

Officer Meeting – 2/11/09

- Two confirmed guest speakers
- Steve Smith on April 8th during colloquium time
- Any special topic suggestions from members?
- Prof. Margaret H. Dunham, distinguished ACM speaker, from South Methodist University on April 24th during colloquium time
- Suggestions on ACM events: reception (usually starts at 3:15) or Q&A session about the CS job market (maybe 5-5:20 after colloquium)
- President/Treasurer can request money
- Plans for Game Night: fix problems from the last one, possible tournament
- Need to find a day to test everything
- Shannon spoke with a professor at Stark Campus about having people from Stark at our Game Night
- Will be bringing back post-meeting presentations
- Official GameCraft committee formation planned for next GameCraft meeting
- Link to GameCraft will be on ACM site
- Wang will be faculty advisor if we can't find anyone else
- Rothstein is still the leading candidate, but Walter will still be the advisor until the end of the semester
- Pi Mu Epsilon is interested in a group event, but their representative did not show up
- Two weeks from now is the next meeting
